

Agudath Israel of America's COPE Division is Pleased to Announce a New Accounting Semester

Due to the current situation, COPE, a division of Agudath Israel, has moved its Junior Accounting course to live, online classes. We are pleased to announce the opening of our next men's day class, starting Monday, July 6th.

The course runs 3.5 months, giving participants a strong background in business, accounting and bookkeeping. Those who complete the training are invited to join our Bachelor's degree program, where students graduate with 150 credits, enabling them to sit for the uniform CPA exams. Join 1000's of our highly successful graduates in getting the skills and training necessary to earn a great parnassah, in just a short time.

Our job placement coordinator will give each student the time and attention they need to find them the right position.
