

# Calendar Correction: Pirkei Avos

It has been brought to our attention that on the Agudath Israel calendar for 5780 (2019-2020), indicates that the next cycle of Pirkei Avos begins on Shabbos, 7 Sivan/May 30. However, as this is the second day of Shavuos, Pirkei Avos is not said on that Shabbos. Therefore, please mark your calendar with the updated corrected schedule of Pirkei Avos, found below, for the remainder of 5780.
