

# From the desk of Rabbi Labish Becker

August 27, 2020

One of my passions during my years here has been creating and expanding the national network and regional offices. This short video, recorded in 2016, will give you an idea of the Agudah's scope across the country.

With YOUR help, we can grow and expand the vital services that Agudas Yisroel offers to the Klal. On Tuesday September 1<sup>st</sup>, the Agudah will be having a crowdfunding campaign. Klal Yisroel's need for Agudas Yisroel to continue strong cannot be overstated – I know you appreciate that.

Please join me in helping the Agudah family, under the guidance of the Moetzes Gedolei HaTorah, thrive and continue its services for many years into the future!

Byedidus,

Labish Becker
