

# Imagine if Someone Took Away Your Right to Vote

The deadline to register to vote in November's election is fast approaching. In most states the deadlines fall this year between Oct. 11 (Yom Kippur) and Oct. 16 (Sukkos). To look up your state's deadline and to find a link to voter registration forms and information click [here](#). Communities that vote are communities that are listened to and heard. Please register to vote today!

**Imagine if someone  
took away your  
right to vote.**

**Imagine if  
that someone  
were you.**

**If you don't register — you can't vote**

Elected officials look at who votes and take their legislative positions accordingly. Our effectiveness in securing political support regarding the issues that affect us depends on each and every one of us taking the time to register and vote. It doesn't matter whom you vote for... what matters most is that you vote!

**Communities that vote are communities that are heard.**
