

# Virtual Open House for PCS Software Development Course

Agudath Israel's PCS Division is proud to begin a new semester in their software and web development course. Certification by PCS goes a long way, with benefits that hone the skills needed to enter the workforce.

Incoming students can graduate with a qualified bachelor's degree in 15 months. With classes for men and women, and options for live and remote classes, this program is open to a wide range of students. PCS also works to guarantee their graduates success, by placing a lot of focus on job and internship placement.

Don't miss out; join their remote open house and learn about this fantastic program, this Thursday, June 18<sup>th</sup> at 7:30 PM.
