Chizuk, ruach and Limud Mishnayos on Shabbos Parshas B'har for the Western Regional Siyum Mishnayos.

The event, which began Thursday night, May 23, with dinner, continuing on Friday with a day-long trip and culminating Motzoei Shabbos with the grand Melava Malka, took place at Yeshiva Toras Chaim of Denver and was coordinated by Ezriel and Dovid Abrams. The month long Mishnayos contest was directed by Rabbi Raphael Schnall, Rebbe, Denver Hillel Academy and Pirchei Director.

Throughout the Shabbos, the Pirchim from each of the Denver neighborhoods were learning Seder Moed with their Mashpiim, the *bochurim* of the Yeshiva. They enjoyed the yeshiva's warm

atmosphere with the participation at the seudos of the Roshei Hayeshiva, Rabbi Yitzchok Wasserman and Rabbi Yisroel Meir Kagan shlit"a. Speakers over Shabbos included the Menahel, Rabbi Naftali Seidenfeld shlit"a; Rabbi Yitzchok Polter, Rebbe, Rabbi Refoel Shnall, Pirchei Director and Rabbi Ephraim Levi, National Director of Pirchei Agudas Yisroel of America. A Special appreciation to Yeshiva Toras Chaim of Denver for opening their doors to this event and to Rabbi Yosef Kaplan, Director, Agudath Israel of Colorado.
