

Upcoming PCS Courses

Agudath Israel's PCS division is offering two courses starting January 4, 2021.

The course on IT Desktop and Network Support offers hands-on training in computer hardware and configuration, operating systems and software, network hardware and technologies, active directory, and more. For more information or to register for this course email raizy@nj.pcsjobs.org or call 732-905-9700 x 606.

The Business Enrichment Course has been teaching valuable business skills for over 15 years and covers topics including Microsoft Office, Sales, Accounting, QuickBooks, Presentation Skills, Marketing, Investments, Real Estate, and Ecommerce. For more information or to register for this course email raizy@nj.pcsjobs.org.
