Successfully Advocated For:

- **Israel and Jewish Security** – Advocated for the security of Israel, and communicated with foreign embassies when Jewish safety and religious rights overseas were threatened.

- **Religious Liberty** – Worked to address religious liberty issues in health care reform, in the workplace and in regard to federal food and nutrition programs.

- **Education and Religious Institutions**
- Lobbied for increased funding for education, security, and disaster relief and for strong benefits for “charitable giving”

Agudath Israel Asks U.S. Supreme Court to Protect Worshipers from Antisemitic Harassment

April 13th, 2022

Agudath Israel of America, along with nine other national
Jewish organizations, filed an amicus curiae brief last week asking the U.S. Supreme Court to hear a case with significant ramifications for religious freedom. The case, Marvin Gerber v. Herskovits, et [...]
for passage of the bipartisan Pray Safe Act, legislation introduced by Senators Rob Portman (R-OH) and Maggie Hassan (D-NH).

The act, if it becomes law, will direct federal agencies to collect – [...]
Agudath Israel of America commends the Senate Foreign Relations Committee for voting today in favor of the nomination of Dr. Deborah Lipstadt as the State Department’s Special Envoy to Monitor and Combat Antisemitism. Agudath Israel urges the [...]
