

Sample Cell Phone Contract

As the responsible user of a mobile device (which I see as a *great* responsibility and *tremendous* privilege), I agree to the following terms of use. Failure to comply with these rules will result in the confiscation or termination of my device.

1. I agree to comply with the schedule you have set for me.
2. If I find that I need to exceed the daily limits that have been defined for me, I promise to have a calm conversation outlining my reasons needing a time extension, and coming to an agreement about what an appropriate amount of time would suffice to accomplish my tasks at hand.
3. If my parents request that I put my device away, or on silent, at any given time (even during my permitted times) I will do so without argument or further discussion.
4. I will never provide personal information (address, school, phone number, etc.) online without my parents consent.
5. My parents will have access to my device entry codes, as well as passwords to my personal accounts and email.
6. I promise to never share any of my personal passwords with anyone else, not even my closest friends.
7. I solemnly swear not to use my mobile device to say mean or rude things to other people online. If I wouldn't say it in person, I won't say it online.
8. I will make every effort to use my device to promote positivity and avoid negative comments, emails, texts or posts.
9. If I receive a message that is hurtful, I will not respond and will tell my parents immediately.
10. I promise to respect my parents' trust by not seeking out inappropriate material, and to tell them if I receive or come across any material that they may find objectionable.
11. I will not "connect" or correspond with anyone I do not know in real life or anyone my parents do not approve of.
12. I promise not to download any software, videos or music without first gaining parental approval.
13. I will not post or share pictures without the consent of my parents.
14. I will contribute \$20 per month toward my cell phone contract.
15. I recognize that this agreement serves as an "at will" contract and my parents can adjust or cancel this agreement "at will"
